*Please note: All of the materials used to create the jewelry are authentic—there are NO reproductions used. Each typewriter key and other various antique pieces are gently polished and cleaned. Each typewriter key, inner watch part and watch face, and antique buttons are decades old and may show age, but this only adds to the whimsy that makes them beautiful. All of the bracelets, necklaces, rings, cufflinks, and earrings are all handmade to order. Each is different and unique in its own special way.*
